Encl. Petition

OFFICE OF THE PUBLIC PROSECUTOR,
BANGALORE DIVISION.

DISTRICT OFFICE BUILDINGS.

Bangalore, 3rd July 193 6

FROM

G.S. Doraswamy Iyer, Esq., B.A., B.L.,
Public Prosecutor,
Bangalore Division, Bangalore. Law 21-36-1

To

The General Secretary to the Government of H.H.
the Maharaja of Mysore, Bangalore.

SIR,

Dated 3/7/36

I have the honour to forward herewith the petition of K. Hanumantha Rao, clerk in this office for favourable consideration by Government. This office has to deal with a large amount of correspondence direct with Government concerning the legal affairs of Government and I have found that he is carrying out this work quite satisfactorily. He is also fully conversant with the rules for the conduct of legal affairs of Government. As there is no separate typist attached to this office he is also doing the work of a typist in this office. He has been carrying out all kinds of clerical work in this office efficiently and he is well conversant in all its branches and is acquainted with court procedure and work. He is reliable, efficient and his work is quite satisfactory so far as I have been able to ascertain and deserves encouragement. As per your letter No.P.1421/Law 20-35-2 dated 27/28th August 1935 he cannot get any increment of salary in this office and there are no future prospects for him in this office although he deserves encouragement and better emoluments. I therefore request that Government be pleased to transfer him to any suitable place on the establishment of the General and Revenue Secretariat, so as to enable him by his good work to better his prospects. I recommend his application for favourable consideration of Government.

I have the honour to be,
Sir,
Your most obedient servant.

G. Doraswamy Iyer
Public Prosecutor.

To

G.S. Doraswamy Iyer, Esq., B.A., B.L.,
Public Prosecutor,
Bangalore Division, Bangalore.

Sir,

I beg leave to bring to your kind remembrance that I submitted an application to you sometime ago representing how the office work had increased very much and how I was carrying out single-handed the whole of the work and praying under the circumstances for an enhancement of salary, which prayer you were pleased to recommend to Government. The Government in their letter No.P.1421/Law 20-35-2 dated 27/28th August 1935 were pleased to order that it would not be desirable to increase the salary of my post and that if so required I may be transferred to sanctioned posts in other departments. I have now been working in this office nearly ten years and have reason to believe that my work has been found satisfactory both by yourself and your predecessors in office. As you are well aware Sir, the correspondence work in this office consists in large part in corresponding direct with Government. This has enabled me to become well conversant in dealing with correspondence with Government and I have been carrying out this part of my work also satisfactorily. I have passed the Junior Typewriting Examination and I have also been doing the work of a typist in this office for the past several years. Since I am the only clerk in this office and the work here is of such a multifarious nature to all of which I have to attend myself, I have become well conversant with all the

the phases of clerical work - from the routine duties of a dispatcher to that of a case worker or a typist. I can say, Sir, with a certain measure of confidence that I shall be able to discharge to the best satisfaction of my superiors, any such duty that I may be entrusted with.

I have ~~the~~ reached the maximum salary of Rs.35/- per mensem in my present grade and as per the order of Government referred to above I can not expect any enhancement of salary in my present post. I therefore pray that I may be transferred to the General and Revenue Secretariat and given any place in the last grade of 30-3-60 in any one of the branches of the establishment of the General and Revenue Secretariat.

For which act of kindness,

I beg to remain,

Sir,

Your most grateful and obedient Servant,

K. Hanumanthaiah

Bangalore
